Crypto4A Technologies Inc. Privacy Statement

Crypto4A Technologies Inc. ("Crypto4A," "we," "us," or "our") is committed to protecting the privacy of individuals who visit our website, engage with our content, or interact with us through online forms, events, and services. This Privacy Policy explains how we collect, use, disclose, and

safeguard your personal information in compliance with Canada's Personal Information Protection and Electronic Documents Act (PIPEDA) and other applicable privacy laws.

Information we collect

We may collect the following types of personal information when you interact with our website or services:

- Contact information (name, email address, phone number, job title, organization)
- Information you submit via forms (demo requests, event registrations, downloads)
- Technical information (IP address, browser type, operating system, device identifiers)
- Usage information (pages visited, time spent, referring website)
- Marketing preferences and communications with Crypto4A

How we use your information

Crypto4A may use your personal information to:

- Provide requested information, resources, or services
- Communicate about our products, events, and updates (with your consent)
- Analyze and improve website functionality and user experience
- Conduct marketing and promotional activities
- Comply with applicable laws, regulations, and legal processes
- Protect the security and integrity of our systems

Consent

By providing personal information, you consent to its collection, use, and disclosure as described in this Privacy Policy. You may withdraw your consent at any time by contacting us (see below). Withdrawal may affect our ability to provide you with certain services.

Sharing and disclosure

We do not sell or rent personal information. We may share it with:

- Service providers (e.g., website hosting, analytics, CRM platforms) who support our business operations under confidentiality agreements
- Regulatory or legal authorities if required by law
- Business partners with your consent

Cookies and tracking technologies

Our website uses cookies and similar technologies to improve functionality, analyze usage, and support marketing campaigns. You can manage or disable cookies through your browser settings. Please note that disabling cookies may affect site functionality.

Data security and retention

We use appropriate administrative, technical, and physical safeguards to protect personal information against loss, theft, unauthorized access, or disclosure. Information is retained only as long as necessary to fulfill the purposes outlined above or as required by law.

International data transfers

We use appropriate administrative, technical, and physical safeguards to protect personal information against loss, theft, unauthorized access, or disclosure. Information is retained only as long as necessary to fulfill the purposes outlined above or as required by law.

Access and correction rights

You have the right to request access to, and correction of your personal information held by Crypto4A. To exercise these rights, please contact us using the details below.

Updates to this policy

We may update this Privacy Policy from time to time to reflect changes in our practices, technologies, or legal requirements. Updates will be posted on this page with a revised “last updated” date.
